ILIE BOSTAN

+373 68 22 42 88 - iliebostan@gmail.com

PROFESSIONAL SUMMARY

Self-taught front-end developer aspire to be, I learned HTML, CSS (SASS), Bootstrap 4 and JavaScript in fewer than 6 months. With experience in different fields, I was always passionate about IT. Backed up by online courses and my friends who work as software developers, I grew more enthusiastic about the impact I can make in this industry.

SKILLS

- Problem-solving
- Time management
- Customer service
- Critical thinking

WORK HISTORY

01/2018 to 01/2019 **Lending Department**
